TOWNSHIP 42 SOUTH, RANGE 25 EAST, SALT LAKE MERIDIAN, UTAH

The survey was executed in accordance with the specifications set forth in the Manual of Surveying Instructions, 2009, and Special Instructions for Group No. 1203, dated May 14, 2012.

The direction of the lines were determined by reference to true meridian, established by Global Positioning System (GPS) utilizing Real-Time Kinematic (RTK) techniques throughout the survey. The positional accuracy of this survey complies with the *Standards for the Positional Accuracy of Cadastral Surveys When Using Global Navigation Satellite Systems (GNSS)*, February 23, 2009. Trimble 5700 and 5800 model GPS receivers were used for the field collection. Cadastral Automated Plat Drafting (CAPD) software was the primary software utilized for project calculations.

Preliminary to the resurvey, the lines of the previous surveys were retraced and search was made for all corners and other calls of record. Identified corners were remonumented in their original positions. Lost corners were reestablished and remonumented at proportionate positions based on the official record. The retracement data were thoroughly verified and only the true line field notes are given herein.

Geodetic Control was derived from GPS static observations, post processed by National Geodetic Survey, Online Positioning User Service (OPUS), utilizing Continuously Operating Reference Stations (CORS): DL3642 MC09 NUCLA CORS ARP, DI3419 P012 MONTICELLOUT2006 CORS ARP, and DH6916 MC04 MESA CNTY 04 COOP CORS ARP.

The geographic position of the corner of sections 1 and 36, Tps. 42 and 43 S., R. 25 E., as determined by direct RTK methods from the National Geodetic Survey OPUS solution, is as follows:

Latitude: **37°05'10.965" N.**,
Longitude: **109°06'56.686" W.**, N.A.D. 83, (EPOCH: 2010.00),
Network Accuracy = 0.200 meter at 95% confidence.

The geographic position of the corner of sections 7 and 18 only, T. 42 S., R. 25 E., as determined by direct RTK methods from the National Geodetic Survey OPUS solution, is as follows:

Latitude: **37°08'33.214" N.**,
Longitude: **109°13'25.782" W.**, N.A.D. 83, (EPOCH: 2010.00),
Network Accuracy = 0.200 meter at 95% confidence.

All stainless steel monuments and brass tablets set in this survey bear the Navajo Nation seal, unless otherwise noted.

A magnetic memorial was deposited beneath the base of each monument, so indicated. This memorial consists of a magnet, 1 in. long, 7/8 ins. diam., housed in an orange cellulose acetate tube, 2 3/8 ins. long, 1 in. diam., with 1 in. sq. polyethylene end caps.

DEPENDENT RESURVEY OF THE SOUTH BOUNDARY,
TOWNSHIP 42 SOUTH, RANGE 25 EAST, SALT LAKE MERIDIAN, UTAH

CHAINS

Dependent Resurvey of the South Boundary,
T. 42 S., R. 25 E., Salt Lake Meridian, Utah

Reestablishment of the Survey Executed by
A. Nelson and R.C. Yundt in 1953

Beginning at the cor. of Tps. 42 and 43 S., R. 25 E., on the E. bdy. of the township, monumented with an iron post, 2 1/2 in. diam., firmly set, projecting 8 ins. above the ground, in a collar of stone, 3 ft. diam., with brass cap (BLM) marked as described in the official record of the 1953 survey.

S. 89°58.0' W., bet. secs. 1 and 36.

- 40.021 The 1/4 sec. cor. of secs. 1 and 36, monumented with an iron post, 2 1/2 in. diam., firmly set, projecting 14 ins. above the ground, in a collar of stone, 4 ft. diam., with brass cap (BLM) marked as described in the official record of the 1953 survey.

S. 89°58.1' W., beginning new measurement.

- 40.005 The cor. of secs. 1, 2, 35, and 36, monumented with an iron post, 2 1/2 in. diam., firmly set, projecting 24 ins. above the ground, in a collar of stone, 4 ft. diam., with brass cap (BLM) marked as described in the official record of the 1953 survey.

S. 89°58.0' W., bet. secs. 2 and 35.

- 40.038 Point for the 1/4 sec. cor. of secs. 2 and 35, at proportionate distance. Corner located in roadway cut of CR 472, at east side of dirt road, 16 ft. wide, bears N. 30° E. and S 30° W. I found original iron post, 30 ins. long, 2 1/2 ins. diam., with brass cap (BLM) marked as described in the official record of the 1953 survey lying nearby. No evidence of glass memorial placed in 1953 was found.

Reset original iron post, 18 ins. in the ground, over a magnetic memorial at base of post. Add 2012 to the date on the cap.

Set a steel fence post, 5 ft. long, 1 ft. N. of cor.

- 80.076 The cor. of secs. 2, 3, 34, and 35, monumented with an iron post, 2 1/2 in. diam., firmly set, projecting 12 ins. above the ground, in a collar of stone, 3 ft. diam., with brass cap (BLM) marked as described in the official record of the 1953 survey.

S. 89°58.7' W., bet. secs. 3 and 34.

- 40.029 The 1/4 sec. cor. of secs. 3 and 34, monumented with an iron post, 2 1/2 in. diam., firmly set, projecting 10 ins. above the

DEPENDENT RESURVEY OF THE SOUTH BOUNDARY,
TOWNSHIP 42 SOUTH, RANGE 25 EAST, SALT LAKE MERIDIAN, UTAH

CHAINS

ground, in a collar of stone, 3 ft. diam., with brass cap (BLM) marked as described in the official record of the 1953 survey.

S. 89°57.3' W., beginning new measurement.

37.613 Intersect centerline of CR 457, a dirt road, 18 ft. wide, bears N. 8° W. and S. 8° E.

40.043 The cor. of secs. 3, 4, 33, and 34, monumented with an iron post, 2 1/2 in. diam., firmly set, projecting 6 ins. above the ground, in a scattered collar of stone, 3 ft. diam., with brass cap (BLM) marked as described in the official record of the 1953 survey.

S. 89°59.4' W., bet. secs. 4 and 33.

40.019 Point for the 1/4 sec. cor. of secs. 4 and 33, determined at a point south of mound of stone, 3 ft. base, 1 1/2 ft. high. No evidence of glass memorial placed in 1953 found. Hearsay evidence from a local resident stated that his father had removed this monument in the late 1950's and took it to his house as a souvenir.

At the corner point

Set a stainless steel post, 30 ins. long, 2 1/2 ins. diam., 24 ins. in the ground, with brass cap mkd:

CERTIFICATE OF SURVEY

I, Michael D. Boeckman, Cadastral Surveyor, HEREBY CERTIFY upon honor, that in pursuance of special instructions bearing date of the 14th day of May, 2012, have conducted the dependent resurvey of the south boundary, a portion of the east boundary, a portion of the subdivisional lines, the meanders of the right bank of the San Juan River, and the survey of the subdivisional lines, the subdivision of sections 3, 4, 11, 12, 14, 16, 21, 22, 25, 27, 28, 33, 34, 35, and 36, and the meanders of the left bank of the San Juan River, Township 42 South, Range 25 East, of the Salt Lake Meridian, in the State of Utah, which are represented in the foregoing field notes as having been executed by me and under my direction. Said survey has been made in strict conformity with said special instructions, the Manual of Instructions for the Survey of the Public Lands of the United States, and in specific manner described in the foregoing field notes.

Date

Michael D. Boeckman

Cadastral Surveyor

CERTIFICATE OF APPROVAL

BUREAU OF LAND MANAGEMENT
Salt Lake City, Utah

The foregoing field notes of the dependent resurvey of the south boundary, a portion of the east boundary, a portion of the subdivisional lines, the meanders of the right bank of the San Juan River, and the survey of the subdivisional lines, the subdivision of sections 3, 4, 11, 12, 14, 16, 21, 22, 25, 27, 28, 33, 34, 35, and 36, and the meanders of the left bank of the San Juan River, Township 42 South, Range 25 East, Salt Lake Meridian, Utah, executed by Michael D. Boeckman, Cadastral Surveyor, having been critically examined and found correct, are hereby approved.
